Bridal Updo's

Updo's can be sleek and elegant with straight lines and slick parts... or they can be soft and loose with elegant curls. Here are a few of our favorite variations of the bridal updo.

Low Bun

Romance meets elegance in this movie-star-inspired updo.

- ▣ You can have a tight and secure low bun, or try a loose variation with strands dancing around your face. A beautiful style for hair of all thickness and texture and really beautiful for brides with long hair.

Traditional Updo

Show off your highlights (natural or not!) when you part your

- ▣ hair on the side and pull it up into a bun, curly cluster or french twist. This is the perfect option for brides with very thin or fine hair as well as those with long, thick hair.

Question: [Where To Wear The Veil?](#)

"I'm not sure about my hairstyle, but I'm wondering... for an updo, does the veil go above or below your bun? With my hair down, can I still wear a veil? If so, how do I make it stay in without falling out? Also, is it old fashioned to wear a blusher veil over your face?"
